

Manufacture Discontinue Notice

This notice applies to the **SigMETER[®] 1101; 1102; 1103:**

The SigMETER[®] has a long successful history of providing a reliable solution to Sciometric customers. As a result of the discontinuation of components used in the manufacture of the SigMETER[®] and the availability of alternative product offerings, we are discontinuing the SigMETER[®].

Alternative Product Options

The Sciometric SigPOD[®] family provides alternatives to the SigMETER[®] along with additional standard and optional features.

Additional information on the SigPOD[®] can be obtained by going to our web site or by contacting Sciometric directly.

Key Dates and Support

The below table provides a list of key Milestones and dates related to this discontinuation notice.

Please note that Sciometric will endeavour to provide support for legacy systems on an “as....” basis but can not guarantee this support after the dates noted below.
