

Manufacture Discontinue Notice

This notice applies to the **SigLEAK®**:

Product Specifics

The SigLEAK® has provided customers with a low cost reliable leak test solution for numerous years.

In keeping with the need to meet customers changing requirements Sciometric has created new product offerings resulting in the discontinuation of the SigLEAK®.

Key Dates and Support

The below table provides a list of key Milestones and dates related to this discontinuation notice.

Please note that Sciometric will endeavour to provide support for legacy systems on an "as...." basis but can not guarantee this support after the dates noted below.

More Information

If you have any questions, or would like more information about our new products, please contact your local Sciometric sales office or representative.

You can also call us directly at 1-877-581-0112, e-mail us at inquiries@sciometric.com or visit our web site at www.sciometric.com.

Alternative Product Options

Sciometric has alternative leak testing solutions available. These include the SigPOD® Leak and 3300 Leak Test System. Additional information on these products can be obtained by going to our website or by contacting Sciometric directly.
