

Product Discontinuation Notice

Model 333, 3404, 3501/3511

September 17, 2019.

Re: **Sciometric Leak Test Models 333, 3404, 3501 and 3511**

Sciometric is discontinuing the Model 333 leak test controller, and the sigPOD 3404, 3501 and 3511 family of leak test products, due to low demand and availability of internal components. The intent of this notice is to inform our valued customers of the discontinuation and extend an opportunity for last buy to meet your requirements.

Key Dates

Product Discontinuation Notice	September 17, 2019
Last Time Buy (date for last order acceptance)	December 15, 2019
Warranty Support until	As per Terms and Conditions
Technical Support until	June 15, 2021*

** Customer service is a Sciometric priority. Please note that while Sciometric will endeavor to continue supporting legacy systems beyond the dates noted above, this support will be provided on a best-efforts basis.*

Alternative Product Options

The Sciometric and CTS family of leak test products can support all of your leak test needs.
