

Product Discontinuation Notice

INTERBUS Card for System 300

October 12, 2017

Re: **INTERBUS Card for the System 300**

As a result of supplier discontinuation, Sciometric is announcing the end-of-life of the optional INTERBUS fieldbus card for Sciometric's System 300 systems.

Key Dates

Product Discontinuation Notice	October 12, 2017
Last Time Buy (date for last order acceptance)	October 30, 2017
Warranty Support until	As per Terms and Conditions
Technical Support (on a best effort basis) until	October 31, 2018*

** Our ability to provide support on the INTERBUS card is dependent upon inventory supplies and/or the third-party vendor. Issues will be handled via Sciometric's RMA process and we will coordinate with the support with the supplier.*

Alternate Product Options

The System 300 continues to support PROFIBUS and DeviceNet as well as the common soft fieldbuses, such as EtherNet/IP and PROFINET. Contact us to review your requirements, noting that some configuration of your application may be required when switching fieldbuses.

More Information

If you have any questions about this notice or would like to learn more about moving to a different type of fieldbus, please contact your Sciometric sales representative, call us directly at 1-877-581-0112 or email inquiries@sciometric.com.
