

Product Discontinuation Notice

sigPOD 1302

November 15, 2017

Re: **sigPOD® 1302**

Sciometric is streamlining and simplifying the sigPOD family of products by discontinuing the sigPOD 1302. Improvements to other models within the sigPOD family have made the 1302 redundant. The intent of this notice is to inform our valued customers of the discontinuation and extend an opportunity for last buy to meet your requirements.

Key Dates

Product Discontinuation Notice	November 15, 2017
Last Time Buy (date for last order acceptance)	May 30, 2018
Warranty Support until	As per Terms and Conditions
Technical Support until	December 31, 2019*

** Customer service is a Sciometric priority. Please note that while Sciometric will endeavor to continue supporting legacy systems beyond the dates noted above, this support will be provided on a best-efforts basis.*

Alternative Product Options

The Sciometric sigPOD 1200 series offers a comprehensive lineup of powerful and versatile products to meet your test and monitoring needs. The sigPOD 1202/1204 combines NEMA packaging with high performance, flexibility, and reliability. Available in 2 or 4 channel configurations, and with or without an integrated display.
